"Fine Print"

As a contestant in the Homemade Ice Cream Contest, you agree to provide at least 3 quarts of homemade ice cream. You will also have to provide a container to accept donations. Container can be a bucket, jar, vase, etc. You can also decorate your area to attract "tasters". We will provide you with 100 one ounce cups to distribute your tastings.

Tasters will then put donations in the container you brought. The ice cream flavor with the most donations wins. The donations will go towards buying boxed fans for Mission Granbury and to help purchase the Air Conditioning in the Nursery at Granbury FUMC.
